

## **Atom Maxi F2DB**

## Display Freezer

## **Product Features**

- Perfect display for frozen foods
- Low energy consumption
- Self-closing heated glass doors
- Triple glazed insulated glass
- Adjustable shelves behind each door
- Ventilated cooling
- Internal vertical LED light
- Stainless steel base with mirror effect
- Digital controller and temperature display
- Castors
- Cooler option available

Digital controller

## Display freezer with adjustable shelves

The Atom Maxi freezer offers excellent storage capacity and is ideal for displaying frozen food items in supermarkets, convenience stores, delis, butchers, and pet shops. It has self-closing glass doors and internal LED light for optimal product presentation. Ventilated cooling allows for adjustable shelves which makes it possible to customize the cabinet to fit your product selection. The temperature is easy to set at the digital controller and the cabinet has automatic defrost. With the Atom Maxi, you get a quality display freezer at a competitive price.
