

SFI185B HC-CF VS

Black Supermarket Cooler / Freezer

Product Features

- Easily switchable between cooler and freezer
- Energy saving variable speed compressor
- Excellent product visibility
- Sliding curved lids
- Ideal in combination with our top section MTF
- Adjustable false base
- LED interior light
- Bumper bars
- Union kit for island creation is available as option

Digital controller

Adjustable false base

Black supermarket head case for creating wonderful island displays

This head case is a part of the SFI range and is perfect for creating island displays in supermarkets, grocery stores, pet food stores etc. The curved glass sliding lids allow full visibility of the products inside. The energy efficient LED interior lighting on the back wall of the unit, illuminates the products beautifully.

The variable speed compressor ensures that the unit only regulates the temperature when needed. This makes it app. 20% more energy efficient compared to the same model without a variable speed compressor – and thereby more cost efficient to operate.

The SFI range also comes as a freezer option as well as in several colors - contact our sales team for more information.

Design and Material		Measures and Content			Power and Consumption		
Lid No & Type	2 curved sliding glass lids	Total Display Area	m ²	1.25	Energy Class	C
