

## USS300SD

### Chest Bottle Cooler

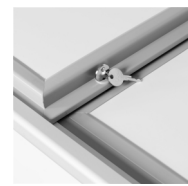

#### Product Features

- Flat sliding solid lids
- Powder coated white steel inner liner
- Castors with brake
- Static cooling
- Removable top for easy loading

Flat sliding solid lids

Lock

### Chest cooler with sliding lid

This chest cooler is very spacious and a great option for cool storage, for instance as a top loading bottle cooler for busy bars and clubs. It is easily accessible with two insulated sliding lids and the four castors offer flexibility in terms of placement.
