Digital controller

Stainless steel lid for protection of food

Gastronorm saladette counter for professional kitchens

The value for money G-line saladette counters are perfect for busy kitchen environments. The saladette has 1/1 gastronorm dimensioned cupboards as well as adjustable shelves to make operations run smoothly.

The saladette well accepts 1/6, 1/3, 1/9 size gastronorm pans, max 150mm deep.

The cooling system is placed below the saladette rather than to the side, which means the unit takes up less space – making it ideal for smaller kitchens as well.
