- Energy saving variable speed compressor
- Heated self-closing glass doors
- · Black exterior
- Telescopic legs
- Automatic defrost
- Requires stand building and cabinet lifting onto stand

LED light inside door frame

Digital thermostat

3-door freezer/cooler wall cabinet for maximizing store space

Save valuable floor space with this brand new MTF model that you can install either as a freezer or cooler; it is perfect for small shops, convenience stores, butchers, supermarkets etc. It has side-to-center ventilation, which makes it possible to stock the cabinet in full depth without affecting the temperature.

Combine the MTF top freezer/cooler with a SFI chest display freezer/cooler underneath to maximize product presentation. It provides a variety of options, as it can be placed against a wall or as an island display. The cabinet comes with a fixed base shelf and two adjustable wire shelves that can be tilted, making it easy to stage products nicely to customers.
