Strong handle

Adjustable false base

Supermarket head case with excellent product visibility

The VIEW HC is made for creating beautiful island displays in combination with the VIEW 250 CF VS supermarket cooler/freezer.

This supermarket cooler/freezer head case has a contemporary design with glass walls on the upper part of three sides as well as two glass lids for a fantastic product visibility The sliding lids open front to back, allowing access to both sides of the unit at the same time. The cabinet furthermore offers great product presentation with LED lighting and an adjustable false base that makes it possible to always have the freezer/cooler look stocked.

It is a versatile unit with the option of both cooler or freezer in one unit. It is easy to switch the cabinet between cooling and freezing, simply set the required temperature on the display controller. This is very handy, especially for stores that needs to adapt their product selection according to different seasons.

The cabinet has a variable speed compressor as well as triple glazed glass on the sides and front for enhanced energy efficiency.
