

EBC53

Chest cooler

Product Features

- Low energy consumption
- Easy access to products
- Ideal for storing fresh produce
- Solid lid
- Static cooling

Lock

Thermometer

Reliable chest cooler with low energy consumption

The EBC offers a great storage solution for restaurants, cafés, take away establishments, and bars. The insides of the cabinet never freeze over, but always maintain a positive temperature. This makes the chest cooler ideal for storage of e.g. soft drinks, beer, fresh produce, and other products which cannot endure frost.

This spacious chest cooler has a low energy consumption, which will help keep running costs down. It comes with rollers for added mobility and a solid hinged lid for easy access. The design offers clean lines that will fit seamlessly into most settings.

Design and Material		Measures and Content		Power and Consumption		
Lid No & Type	1 hinged solid lid	Temperature Range	°C	+3 to +10	Energy Class	B
Castors	4 rollers	Climate Class		4	Energy Consumption	kWh/24h 0.66
