Heated front glass

Professional 16 scoop ventilated ice cream display with curved glass

If you're looking for a high-end ice cream scooping display cabinet that truly sets you apart, the Millennium LX16 is the ideal choice. This 16 Napoli pan display is designed to showcase your ice cream in the most impressive way possible. With stylish curved glass, the display creates a stunning visual appeal, while the efficient, ventilated cooling system keeps your ice cream or gelato at the perfect serving temperature, ensuring that it remains fresh and delicious.

The Millennium is also available in a variant with a flat glass sneezeguard (Millennium ST).
