## Two level display freezer for optimizing store space

Optimize your frozen display with this innovative freezer in two levels. It gives a great overview for the customers, so they can easily find their favorites among your selection of frozen goods, such as delicious ice cream and popsicles. The freezer is spacious and has room for 5 baskets with dividers on each level. The products are illuminated by LED lighting, which can be turned on/off on a switch, making it possible to save energy, when the store is closed. Release the full potential of the freezer with customized branding.
