Curved glass for nice presentation

Scoop static cooled display with understorage

Introducing the Isabella 10 - an expansive ice cream scooping cabinet for 10 pans. The curved glass design creates a stunning display that is sure to captivate your customers and the rear serving shelf helps facilitate quick service. With a built-in refrigerated under storage, restocking the display with fresh ice cream during busy hours is quick and easy, as there's no need to leave the cabinet. Moreover, the cabinet is equipped with castors, making it easy to move around, and an internal LED light that beautifully showcases your ice cream.
