- High/low temperature alarm

Frameless door

Curved handle

### Black wine cooler with glass door for an exclusive display

The TFW Frameless Wine Display range is an elegant option for storing and displaying wine bottles. It has a stylish edge to edge glass door and slide out wooden shelves allowing easy access. The white LED lighting showcases the wine bottles nicely against the black interior of the cabinet. In addition to the exclusive design, the wine cooler also has a modern cooling system that reduces the heat, noise and energy consumption of the cabinet.

Design and Material		Measures and Content		Power and Consumption	
Door No & Type	1 hinged frameless door	Temperature Range	°C +5 to +18	Energy Class	A
