Scoop ice cream freezer with serveover

The IC-SO range is our price friendly basis chest freezer with a serve over glass top. It is a quality scoop ice cream freezer for a fair price. It is perfect if you wish to add scooping ice cream sales to your business and are on a budget.

This model is with flat sliding glass lids with a lock.

The model is still compact and comes in various sizes, so that it is perfect for both smaller shops and delis with limited space as well as larger shops, gas stations and supermarkets.

It is on wheels and can easily change location in the shop.

It is ideal for branding for better presentation of the cabinet content.

All the different sizes of this range is optimized for baskets that can hold 5 liter plastic tubs in the top and there is room for storage underneath.

Baskets are optional. Type and number must be ordered under accessories.
