- Lock

Strong handle

LED light inside door frame

Best-selling bottle cooler

CEV425 is one of our popular bestsellers – and for good reason. This is where efficient cooling and great design meets affordability.

Featuring adjustable wire shelves, it is easy to customize this fan assisted bottle cooler to your selection of bottled and canned beverages. The glass door with LED lighting on the inside of the door frame makes sure that your products are always stylishly displayed.

With its clean lines, the CEV425 is perfect for keeping beverages refreshingly cool in many different settings, such as smaller and larger shops, delis, cafes, restaurants, bars, canteens, offices, gyms etc. To fully release its marketing potential, have the bottle cooler decorated nicely with customized branding.

The CEV range is available in white or black color options, with a right-hand hinged door or left-hand hinged door, and with or without a canopy. Upon request and at an additional cost, this product is also available with an EU energy rating C. Contact our sales team for more information.
