Product Features

- Great value-for-money range
- Granite table top
- Automatic defrost
- Adjustable feet
- Stainless steel cabinet
- Fan assisted cooling

Adjustable shelves

Easy access to clean dust filter

Stainless steel pizza counter with granite tabletop

This value-for-money G-line pizza counter is fantastic for pizza preparation. You have everything you need within reach. Line the different ingredients up in size 1/6 GN pans and use the cupboards for storage and easy refill. The granite tabletop is ideal for creating delicious pizzas, as it stays cool and makes it harder for the dough to stick to the tabletop.
