### Full Class Door Multideck Freezer with Multiplexing Option

EXTRA Multideck is a premium full glass door freezer with double glazed hinged glass doors for added energy efficiency savings on running costs. For greater stock capacity it has 460mm deep shelves to help maximise sales during busy periods and reduce restocking. It has excellent internal illumination with vertical LED lighting in each door and horizontally across the top on the 2500 model. Wire shelving with ticket strips and shelf risers are supplied as standard. Installation is simple and quick. No special requirements as refrigerant charge is below 150g. The model allows for multiplexing and increases your possibilities to make the most of the space, you have available. The unit can be ordered without end walls and with a multiplexing kit if required.
