

SFI185-CF VS

Supermarket Cooler / Freezer

Product Features

- Easily switchable between cooler and freezer
- Energy saving variable speed compressor
- Excellent product visibility
- Sliding curved lids
- Ideal in combination with our top section MTF
- Adjustable false base
- LED interior light
- Bumper bars
- Union kit for island creation is available as option

Digital controller

Adjustable false base

Supermarket cooler / freezer with curved glass for full visibility

The SFI cooler / freezer is perfect for displaying products in supermarkets, grocery stores, butchers, pet food stores etc. The curved glass sliding lids allow full visibility of the products inside. The energy efficient LED interior lighting on the back wall of the freezer, illuminates the products beautifully. The LED light has its own separate power cord, so it can be connected to the rest of the light in the store and be turned off at night to save energy. The supermarket cooler / freezer can be arranged into islands with a head case on each end or below a MTF top section.

The variable speed compressor ensures that the unit only regulates the temperature when needed. This makes it app. 20% more energy efficient compared to the same model without a variable speed compressor – and thereby more cost efficient to operate.

The SFI range also comes as a freezer option as well as in several colors - contact our sales team for more information.

Design and Material			Measures and Content			Power and Consumption		
Lid No & Type	2 curved sliding glass lids		Total Display Area	m ²	1.25	Energy Class	C	
Basket No & Type			Temperature Range	°C	-24 to -18 / -1 to +8	Energy Consumption	kWh/24h	4.56
Divider System	Yes		Climate Class	4		Annual Energy Cons.	kWh/year	1664.4
Number of dividers	pcs	3	Gross / Net Weight	kg	165 / 150	Input Power	W	890
Feet / Legs	6 adjustable legs		Gross / Net Volume	l	786 / 500	Voltage / Frequency	V/Hz	220-240/50
Exterior Finish	White		Cooling and Functions			Noise Level	dB(A)	48
