

TFW400-2F

Wine Cooler

163

Product Features

- Frameless glass door
- 2 temperature zones with a max. of 10°C variation
- Energy efficient cooling system
- Very low noise level
- LED interior light with switch
- Reversible door
- Curved stainless steel handle
- Wooden shelves
- High/low temperature alarm
- Presentation shelves available as option

Wooden drawing shelves

Presentation shelves available as option

Black wine cooler with glass door for an exclusive display

The TFW Frameless Wine Display range is an elegant option for storing and displaying wine bottles. It has a stylish edge to edge glass door and slide out wooden shelves allowing easy access. The white LED lighting showcases the wine bottles nicely against the black interior of the cabinet. In addition to the exclusive design, the wine cooler also has a modern cooling system that reduces the heat, noise and energy consumption of the cabinet. This model has two temperature zones which can be set with a maximum of 10°C difference, meaning you can store e.g. white wine at 7°C in one zone and red wine at 17°C in the other zone.

Design and Material		Measures and Content		Power and Consumption	
Door No & Type	1 hinged frameless door	Temperature Range	°C +5 to +10 / +10 to +18	Energy Class	G
Door Reversible	Yes	Climate Class	4	Energy Consumption	kWh/24h 0.48
