- Ventilated cooling

GN1/1 shelves

GN1/1 drawers

Counter cooler with GN1/1 drawers and shelves

The CK counter cooler is made for professional kitchens, and it offers an ideal solution for keeping ingredients chilled and within easy reach during service..It is made from durable SS304 stainless steel and features automatic defrost and GN1/1 dimensioned drawers and shelves for easy cleaning and smooth workflows.

Its ventilated cooling system keeps contents at a consistent temperature, and the electronic controller makes it easy to adjust the temperature to fit your ingredients. It has a tabletop with splashback, which can be removed if you wish to use it as an undercounter cooler and add your own tabletop. The legs are adjustable so it is possible to adapt the height of the table to your needs. The CK counter cooler makes an excellent addition to any professional kitchen.
