

TFW200-S

Wine Cooler

Product Features

- Stainless steel door frame and handle
- 1 temperature zone
- Energy efficient cooling system
- Very low noise level
- LED interior light with switch
- Reversible glass door
- Wooden shelves
- Presentation shelves available as option
- High/low temperature alarm

Wooden drawing shelves

Charcoal filter included

Stainless steel wine cooler

The TFW Stainless Steel Wine Cooler allows you to showcase wine bottles in a contemporary way. The clear glass door, the black interior and the LED lighting give the cabinet a fresh and modern look, and the slide out wooden shelves are as handsome as they are practical. In addition to the design features, the cabinet also offers a modern cooling system that reduces the heat, noise, and energy consumption of the wine cooler.
