- Digital thermometer
- Defrost water drain
- Adjustable feet

Strong handle

Lock

Display freezer with a heated glass door

Great product presentation at a competitive price – that is what you get with this display freezer. It has a heated glass door to prevent condensation and internal LED lighting to highlight your frozen goods. The cooling system is static with 6 fixed freezing shelves with built-in evaporator coils to ensure an even temperature throughout the cabinet. The upright freezer comes with a defrost water drain for easy maintenance.
