Product Features
• Double glazed glass on four sides
• Adjustable wire shelves
• Glass door
• Aluminium finish
• Strong wheels for mobility
• Ventilated cooling
• Internal LED light

Adjustable shelves   Castors with and without brake

Vertical refrigerated glass display

The UPD200 refrigerated display case has a contemporary design with an aluminium finish and double glazed glass on all four sides. It is an excellent choice for displaying for example cakes and desserts in cafes, restaurants, or canteens. It is easy to organize the content, as the wire shelves are adjustable. The ventilated cooling system is controlled by a digital temperature display. The cabinet has strong castors for mobility, two of them with brakes.
